

Dear researchers,

COST Action PRIMTRAIN CA 15131 invites Researchers from Participating COST Countries to submit applications for the **first** call for Short-Term Scientific Missions (STSM) Applications for missions occurring between 01 February 2017 and 30 April 2017

Purpose of a STSM

STSM are aimed at strengthening existing networks and fostering collaborations by allowing Researchers participating in a given COST Action to visit an institution / Organisation in another

Participating COST Country / an approved NNC institution or an approved IPC institution. A STSM should specifically contribute to the scientific objectives of the COST Action, whilst at the same time allowing those partaking in the missions to learn new techniques, gain access to specific data, instruments and / or methods not available in their own institutions / organisations.

Please see the full call for STSM applications in the document attached to this Email.

Deadline for applications to be submitted: **27/01/2017**

Notification of application outcome: **31/01/2017**

Period of STSM: between **01/02/2017** and **30/04/2017**

All STSM activities must occur in their entirety within the period specified above.
